## An Epic Winter Camp Weekend!

March 5-7

**Experiential** – The sessions emphasize great worship, relevant messages from the Bible, and a unique experiences to help students process and remember what they have learned.

**Participatory** – Whether it's engaging worship, wacky games on the rec field, tubing or snowboarding, or a quiet walk on the nature trail, students are encouraged to participate rather than spectator.

**Image Driven** – Videos, drama sketches, and still images that bring a point to life are thoughtfully woven into all the sessions.

**Community** – Living in a cabin with 10 of their peers and caring counselors will teach lessons and create memories and relationships for students that will last a lifetime.
