REFINER'S FIRE

June 2010

It is now the summer months. It will start to get hot outside... we will start getting excited to have time with our friends, excited to go to the beach, excited to have barbeques, and excited to not be in school. We at least most of us. But what about our faith? Will we still be excited to share our faith? The summer time brings many new opportunities to share about Jesus. Will we shine for Him this summer? Will we be excited to live for Him and continue to allow Him to *refine* us? Let us not only get excited for the fun times of summer, but let us also get stoked about our GOD! Take this time of no school and no tests to get into the Bible, get into prayer, and get involved in our youth group. We hope to see you this summer for the fun and excitement at The Refinery!

Meat & Potatoes

Meat & Potatoes is an in-depth Bible Study.

A time were you can ask questions and share your thoughts.

If you have ever just wanted to become more familiar with the Bible,
then Meat & Potatoes is for you.

This month we will be continuing our study on the book of 1 Timothy.

Sunday Mornings at 9:30am

We are currently meeting in the youth room.

Please keep our youth leader Breanna Valera in prayer as she goes off to Forest Home. She will be serving all summer long as a camp leader for 3rd and 4th graders! We will miss you Bre!

Transformed is looking for more musicians!

If you play guitar, bass guitar, drums or keyboard we need you! Talk to John or Vanessa to get involved.
