WEBSITE AND PRINT PUBLICATION PHOTO RELEASE FOR MINORS

Good Shepherd Lutheran Church likes to share with our local and global community many of the programs that we offer here at our church. We include photos of people who participate in our various ministries in action. Adult and youth leaders take pictures of our young members participating in events, including: children's ministries, youth ministries, fellowship events, worship opportunities, and all other Good Shepherd related activities. These pictures may be posted on our website at www.egoodshepherd.org and on GSLC-controlled social media or in print publications for our congregation to view and enjoy, as well as to promote interest in our many ministries. Only group photos will be posted on the website or in print publications. In addition, there will be no identifying information, such as name, age, or personal address, ever posted with any photograph.

This authorization to publish photos on our website or in print publication covers the entire time your child is involved with the church in any program, both on church grounds at 1700 N. Towne Avenue, Claremont, California, and at any additional location church events may be held. Submitting a written request to our office manager at any time may revoke this authorization.
